May, 2019

WGM Corner. . .

Please remember that according to the Code & Digest Article VII, Section 4 (page 47): Committee on Finance – The committee shall review the Chapter financial records and report at the first meeting in June. I mention this as many Chapter minutes did not show this happening at the first meeting in June. This would also be a great time for the Treasurer to give their annual report. (Code & Digest, Article VI, Section 7, subsection C, page 46) Again I found that many Chapter minutes did not mention that a report by the Treasurer had been given. Sisters and Brothers please listen closely to the Minutes as they are presented at your meetings. These are the historical records of your Chapter Meetings.
