 Masonic Hall is located on River Street in Superior.

Directions:

After you exit I-90 and go through the underpass under I-90, just stay on that street and keep going. The Masonic Hall is about 3 (?) blocks straight ahead and on the left. There is a large fenced school yard across the street from it on the right. I've scanned and attached a map from a "Chapter Location Map" booklet that was published several years ago.

There is a good eating spot to the right on about the first street after the underpass. It is a convenience store/restaurant and serves good food. The prices are reasonable. You may see other traveling Star's there.
